Re: FOIA 2019-11392

Dear Ms. Mendez,

This letter is a partial response to your Freedom of Information Act (FOIA) request to the Executive Office for Immigration Review (EOIR) in which you seek information regarding the Office of Policy and various Attorney General's decisions.

Additional documents responsive to parts 3 and 4 of your request are enclosed. There will be no charge for the enclosed documents. Some information was withheld pursuant to 5 USC 552(b)(6) to avoid an unwarranted invasion of personal privacy, and/or 5 USC 552(b)(7)(e) to protect law enforcement information. The withheld portions are clearly marked within the documents.

EOIR continues to process your request and will issue a final response when all documents have been received and reviewed.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. *See* 5 U.S.C. § 552(c) (2006 & Supp. IV 2010). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist. *See* <http://www.justice.gov/oip/foiapost/2012foiapost9.html>.

You may contact our FOIA Public Liaison at the telephone number 703-605-1297 for any further assistance and to discuss any aspect of your request. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, Room 2510, 8601 Adelphi Road, College Park, Maryland 20740-6001, e-mail at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.

If you are not satisfied with my response to this request, you may administratively appeal by writing to the Director, Office of Information Policy (OIP), United States Department of Justice, Suite 11050, 1425 New York Avenue, NW, Washington, DC 20530-0001, or you may submit an appeal through OIP's FOIAonline portal by creating an account on the following web site: <https://www.foiaonline.gov/foiaonline/action/public/home>. Your appeal must be postmarked or electronically transmitted within 90 days of the date of my response to your request. If you submit your appeal by mail, both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."

Sincerely,

ORDER NO. 4122-2018

In re: Matter of E-F-H-L- (EOIR (b)(6)) (BIA 2014)

IN REMOVAL PROCEEDINGS

Pursuant to 8 C.F.R. § 1003.1(h)(1)(i), I direct the Board of Immigration Appeals (“Board”) to refer to me its decision in *Matter of E-F-H-L-*, 26 I&N Dec. 319 (BIA 2014), and I vacate that decision.

In this matter, the respondent conceded removability at the outset of removal proceedings and requested relief from removal pursuant to an application for asylum and withholding of removal. The presiding Immigration Judge determined, without holding an evidentiary hearing, that the respondent’s application failed as a matter of law to make a prima facie case that he was eligible for asylum and withholding of removal, and denied the application. The respondent appealed on the merits to the Board. The Board remanded, holding that a respondent applying for asylum and withholding of removal was ordinarily entitled to a full evidentiary hearing. The respondent subsequently withdrew his application for asylum and withholding of removal with prejudice. On the parties’ motion, the Immigration Judge administratively closed removal proceedings to allow the adjudication of an I-130 petition on behalf of the respondent.

Because the application for relief which served as the predicate for the evidentiary hearing required by the Board has been withdrawn with prejudice, the Board’s decision is effectively mooted. I accordingly vacate the decision of the Board in this matter, and I also direct that this matter be recalendared and restored to the active docket of the Immigration Court.

Just let me know.

Hi Nathan:

M-G-G- is an amicus invitation, which we have not posted in the other two places. (Kathy did have it up there, but she didn't realize it was an amicus invitation and not a "decision." I, however, mentioned the difference to her and took it down.)

If you'd like, I can put M-G-G- up in the other two places before 8 a.m. or let James know why I took them down and ask him if he would prefer we post it as a "decision" and change the "sop" going forward.

Just let me know.

(b) (7)(E)

(1) Consistent with *Matter of Castro-Tum*, 27 I&N Dec. 271 (A.G. 2018), immigration judges have no inherent authority to terminate or dismiss removal proceedings.

(2) Immigration judges may dismiss or terminate removal proceedings only under the circumstances expressly identified in the regulations, *see* 8 C.F.R. § 1239.2(c), (f), or where the Department of Homeland Security fails to sustain the charges of removability against a respondent, *see* 8 C.F.R. § 1240.12(c).

(3) An immigration judge's general authority to "take any other action consistent with applicable law and regulations as may be appropriate," 8 C.F.R. § 1240.1(a)(1)(iv), does not provide any additional authority to terminate or dismiss removal proceedings beyond those authorities expressly set out in the relevant regulations.

(4) To avoid confusion, immigration judges and the Board should recognize and maintain the distinction between a dismissal under 8 C.F.R. § 1239.2(c) and a termination under 8 C.F.R. § 1239.2(f).
